**ACTION REQUESTED BY THE SUPERINTENDENT:** That the School Board approve a professional services consulting contract delivery order in the amount of \$31K to Triad Engineering, Inc., P.O. Box 2397 Winchester, Virginia for construction testing services in support of the Stafford Middle School Addition.

---

### KEY POINTS:

1. Triad Engineering, Inc. is currently on the SCPS professional consulting services list of approved A/E firms.
2. Scope of construction testing services will include all required on-site and laboratory testing, monitoring/inspections, and submittal of reports for concrete (foundation, slabs, etc.), steel (re-bar, structure steel joist, connectors, etc...) and soils (grading, compaction, etc...).
3. Staff estimates the construction testing services will be required on a full-time basis for approximately four (4) months and on an intermittent basis for an additional six (6) months. Staff has used Triad Engineering, Inc. in the past with a high degree of success.
4. If approved by the School Board, staff plans to award a contract to Triad in early June 2006. Work will start after the award of the SMS Addition project.

**SCHOOL BOARD GOAL: #5** – Provide facilities that promote student learning and community support.

**#7** – Provide school environments where teachers are safe to teach and students are safe to learn
